- c) Planning application updates: None
- d) Lighting on Wistow Close – Cllr Phillimore stated that LCC-Highways would still say no to reinstating the lighting during the night. Police evidence to suggest it would be beneficial to bring down crime rates seemed unlikely too.
- e) Low hanging trees on the A5199 near to the speed sign – This looks like it has been dealt with and due to there being no leaves on the trees members thought it would be looked at again in the Spring/Summer months.
- f) Tree suckers protruding the pavement on Main Street/Spinney Road – This has now been resolved.
- g) Footpath with overhanging trees going towards Newton Harcourt – Works have now been completed to the leaking water pipes. Some shrubs had also been cut back. LCC reported at the footpath along the paddocks seemed ok and the land owner does have rights of way along the path.
- h) Closure of the A5199 – Members reported that there was not any increase in the traffic due to the road closure. The road remains closed from the Arnesby turn to Saddington turn to March 2023.
